

EEOD Trainings

For

Tenured and Tenure-track faculty members.

This course will train faculty members in providing a unique service to the University within the role of an Equal Employment Opportunity Designee (EEOD).

Trainings are intended for tenured and tenure-track faculty members who would like to serve on faculty search committees as an Equal Employment Opportunity Designee (EEOD).

Every faculty search committee must include an EEOD to promote equal employment opportunities and to ensure a fair and equitable search process for all candidates.

Tenured and tenure-track faculty members who would like to serve the University as an EEOD must attend one (1) EEOD training workshop as a prerequisite for service.

Current EEO Designees who have not completed EEOD training within the past two (2) years will need to attend an EEOD workshop in order to continue service.

Trainings have been scheduled for the following dates:

Option	Day	Date	Time	Location
1.	Monday	September 9, 2019	3:00-4:30 pm	HML 2108
2.	Tuesday	September 10, 2019	3:00-4:30 pm	HML 2108
