

Student Lives Being Transformed

Faculty Staff Christian Fellowship

Christmas Luncheon

Wednesday, December 11, 2019

Vintage Room

11:30 am - 1:00 pm

Kevin Reifman: InterVarsity Christian Fellowship is a vibrant campus ministry. Our vision is to see students and faculty transformed, campuses renewed, and world changers developed through the power of the Gospel of Jesus Christ.

Eric Hiatt: Cru exists to provide each and every student with an environment to investigate God, explore the idea of having a personal relationship with Him, and grow in community with one another. We offer students a chance to know Jesus and to make Him known on college campuses all over the world. I am the team leader for MCS Cru that includes Fresno State. My focus is to raise up student leaders who will carry out our vision and mission for the campus.
